Wheeler 38 Nominated for Best New Power Yacht - Vote Online Now

Bill Prince Yacht Design

The editors of Classic Boat magazine in the UK have nominated the Bill Prince-designed Wheeler 38 for the 2021 Classic Boat Awards Best New Power Yacht.

Built by Brooklin Boat Yard for Wes Wheeler, the Wheeler 38 is an authentic recreation of Ernest Hemingway's famous Wheeler "Pilar".

Please vote for the Wheeler 38 in the Best New Power Yacht category by going to the official webpage to cast your vote:

Avocette Featured in Boat International

"When a 48-footer is making the crew of a megayacht gawk, you know you've got something truly special."

Thanks to Kevin Koenig for writing this nine-page feature in the December issue of BOAT International magazine. His take on the history of the yacht is well worth the read!

New Design: 78-meter Superyacht Featured by Lürssen

BPYD is developing a 78-meter (256-foot) superyacht which will be characterized by her elegant proportions and innovative use of space. The design is featured on the Lürssen website in their new build section.

The yacht's layout includes an indoor aircraft hangar and a 10-meter (33-foot) outdoor lap pool surrounded by a 14-seat swim-up bar.

The Wheeler 38 is on the Cover of WoodenBoat Magazine

WoodenBoat magazine gets the new year started off right, featuring the Wheeler 38 on the cover of their Jan/Feb issue.

...and Professional Boatbuilder magazine features the yacht in their Dec/Jan issue.

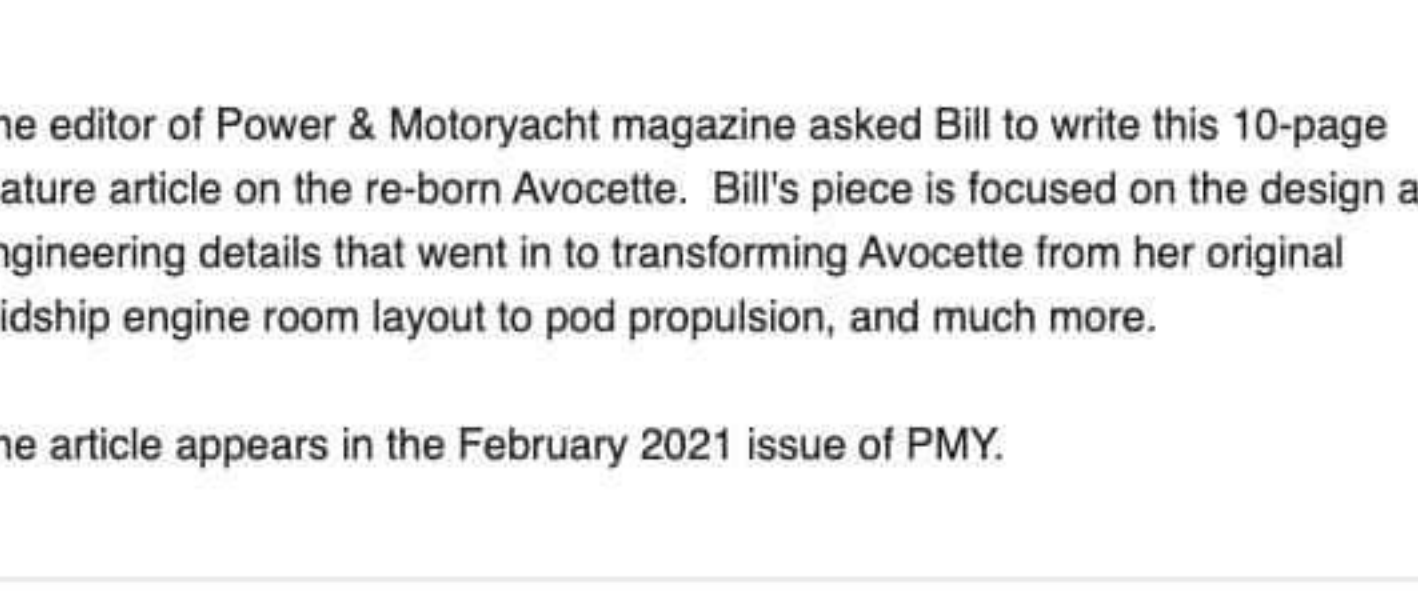

When we write about classic boats, successful yards, and legendary naval architects, it's easy to overuse the word iconic. But in the recent revival of the Wheeler Yacht Company with its launching of an updated version of a very special 1934 Playmate model built this past year by Brooklin Boat Yard, the adjective accurately applies to nearly every defining element of the project.

Let's start with Ernest Hemingway (playmate, Pilar, the new boat, Pilar was also a source of inspiration and escape for last famous owner, who fished her from Key West and later from his home in Cuba, where the original boat is installed today in a static onshore exhibit at the Ernest Hemingway Museum.

That's where Wes Wheeler, great-grandson of Wheeler Yacht's founder Howard Wheeler, and Hemingway's wife Hillary Hemingway took detailed measurements of the hull in preparation for a planned movie about the author and sportsman's friendship with his Cuban captain, Gerardo Fuentes. The movie hasn't come to fruition, but...

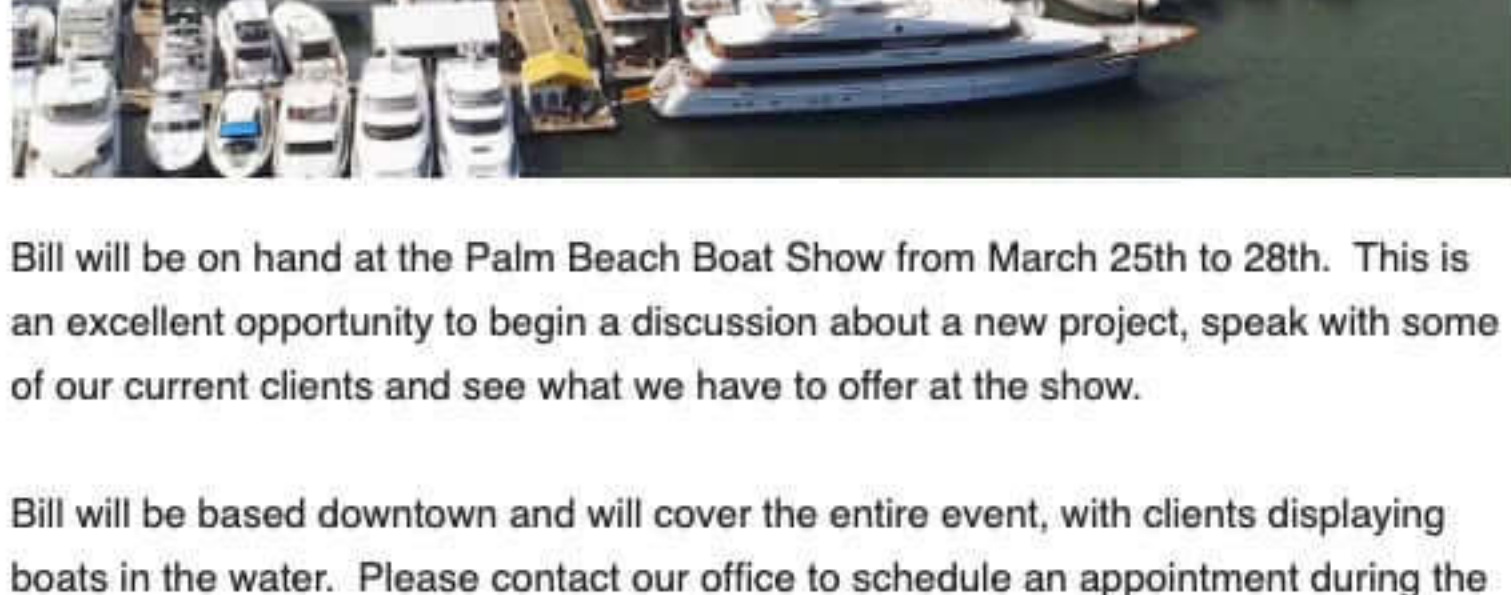

More Attention for Avocette, this time in Power & Motoryacht

The editor of Power & Motoryacht magazine asked Bill to write this 10-page feature article on the re-born Avocette. Bill's piece is focused on the design and engineering details that went in to transforming Avocette from her original midship engine room layout to pod propulsion, and much more.

The article appears in the February 2021 issue of PMY.

Schedule a Meeting With Bill Prince at the Palm Beach Boat Show

Bill will be on hand at the Palm Beach Boat Show from March 25th to 28th. This is an excellent opportunity to begin a discussion about a new project, speak with some of our current clients and see what we have to offer at the show.

Bill will be based downtown and will cover the entire event, with clients displaying boats in the water. Please contact our office to schedule an appointment during the show.
